Mr Siddalingappa was the permanent Octroi Superintendent before He was appointed as the Revenue Officer of the Municipality in G O No. L 8796-99/M1 10-41-92, dated the 23rd March 1942. Consequent on his appointment as the Revenue Officer Mr Annadanappa was appointed as the Octroi Superintendent Hence Mr Siddalingappa lost his lien on his appointment as Octroi Superintendent and also the grade of Rs 100-10-150 He has been provisionally allowed a pay of Rs 130/- per mensem which he was drawing as Octroi Superintendent. The Comptroller has raised the question as to what pay the post of the Revenue Officer should carry and what ~~grade of~~ pay should be given to the Revenue Officer. As the pay of the post of the Revenue Officer was not fixed, a rererence was made to the City Municipal Council asking for their opinion in the matter They have resolved that the pay of the post of the Revenue Officer may be fixed at Rs 150-25/2-250 as was given to the previous Revenue Officers recruited from the Revenue Department and to give the same grade to Mr Siddalingappa from the date of his appointment as the Revenue Officer of the City Municipality

10 DEC 1942
GOVT MYSORE

Sir,

"A" With reference to Government Order No.L.8796-99/Ml.10-41-92 dated 23-3-1942, sanctioning the appointment of Mr N Siddalingappa as Revenue Officer of the Bangalore City Municipality. I have the honour to state that para 3 of the Government Order in question is interpreted in audit to mean that Mr Siddalingappa has to draw as Revenue Officer the substantive pay of Rs.120/- p m in his former post as Octroi Superintendent and the allowances of Rs 50/- attached to the post of Revenue Officer

His pay and allowances were passed accordingly and he has since been allowed to draw Rs 130/- in the former grade

But since the following points of doubt have been raised, I request further orders of Government to clarify the same -

1. The nature of the tenure on which the post of the Revenue Officer is now held i e , whether it is held substantively by Mr Siddalingappa or only on a tenure basis as in the case of Amildars who were also given the allowance of Rs 50/- It is seen from the records that ever since the change of designation from that of "Revenue Manager" to "Revenue Officer" was made in 1935, officers of the Revenue Department have been appointed to this post on a tenure basis until the present incumbent was posted

2 If on the otherhand the post is held substantively by Mr Siddalingappa without a lien on his former post of Octroi Superintendent, what the pay of the post of Revenue Officer is, whether

it

it is only Rs.100-10-150 (the same pay as that of the Octroi Superintendent, with the allowance of Rs.50/- as in this case or without it in others) or 150-25/2-250, in the case of Amildars who filled the post before him

3. Further he is considered to have no lien on his former post and the latter is treated as permanently filled by Mr.Annadanappa as per G O No L.2767-69/M1 10-42-35 dated 7-9-1942 can Mr Siddalingappa service in his former post be counted for his next increment? Mr Siddalingappa had drawn pay at Rs 120/- for 8 months as Octroi Superintendent when he was appointed as Revenue Officer Although his initial pay could be fixed at Rs 120/- in the new post if Article 85(b) M.S.R were applied(assuming that the pay of the post of Revenue Officer will be fixed at Rs 100-10-150 under para 2 above) he could draw the next increment only a year after the date of his appointment as Revenue Officer But this would place him at a disadvantage since it will have the effect of denying him the benefit of an increment which he could have earned in the other appointment. Although in consideration of this the next increment raising the pay to Rs.130/- has been allowed from 15-8-1942 this cannot be ratified except under special orders of Government

I request the favour of early orders of Government on the points of doubt raised above.

I have the honour to be
Sir,
Your most obedient servant,

M Venkataya Hy

LAW DEPARTMENT, BANGALORE

SIR,

With reference to your letter No L 7793/M1 10-42-78 dated 8-2-1943, in regard to the pay to be allowed to Mr N Siddalingappa, Revenue Officer of this Municipality, I have the honour to state that, he was first appointed in this Municipality as Market Inspector in a vacancy advertised under the C R B rules He was then promoted as Octroi Superintendent, and then as Revenue Officer His lien is not being shown against the post of the Octroi Superintendent, as Mr C Annadanappa has been treated as permanently appointed as Octroi Superintendent of this Municipality in Government Order No L 2767-69/M1 10-42-35 dated 7-9-1942 As Mr Siddalingappa is not an Officer lent from Revenue Department, he is not holding the post of the Revenue Officer on a tenure basis The period of service as Octroi Superintendent does not count towards the period for earning the increment as the Revenue Officer, as these two appointments are different ones

In this connection, I may state that the then Honorary President had put up a note on 4-11-1942, recommending that Mr N Siddalingappa, the present Revenue Officer might be started on Rs 150/- in the grade Rs 150-25/-2-250 from the date of appointment as Revenue Officer This note was approved by the Managing Committee on 24-11-1942 The opinion of the Managing Committee as also your letter under reply together with its enclosures were considered by the Municipal Council at their meeting held on 27-3-1943 and they have approved of the opinion of the Managing Committee, viz , that Mr N Siddalingappa

be started on Rs 150/- in grade Rs 150-25/2-250 A copy of the President's note together with the copies of the resolutions of the Managing Committee and the Council referred to above, are herewith forwarded for favour of obtaining the orders of Government on the resolutions of the Council

I have the honour to be,

Sir,

Your most obedient servant,

Forwarded with compliments

Municipal Commissioner

When the Municipal Council passed for the mlt appointment of Mr N Siddalingappa, as the Revenue Officer of the Municipality it intended to give a promotion to him for his efficient work as the Section Superintendent, from the grade of Rs 100-10-150 to Rs 150-25/2-250 which was the grade of the Revenue Officer for a long time It was for this reason that at the grade of the new appointment, was not specified. At a Council meeting when the then Municipal Commissioner informed the house that Mr N Siddalingappa was not given a new grade (i.e, Rs 150-25/2-250, the Councillors demanded that a note should be put up by the President in this behalf. Herein the note of the President which was approved by the Council - Government may kindly be moved for sanction

30 Opinion of the Managing Committee dated 24th November 1942 approving the opinion of the President to start Mr N Siddalingappa, Revenue Officer on Rs 150/- in grade Rs 150-25/2-250 from the date of his appointment as Revenue Officer

The President explained that this was not a new subject and that it had been sufficiently discussed at previous meetings and there was a Government Order changing the grade of the Octroi Superintendent to Rs 250/- so that all the three posts of the Personal Assistant, Revenue Officer and the Octroi Superintendent may have the same grade to facilitate inter-transfers As the Municipal Commissioner was doubtful as to the grade pay that Mr N Siddalingappa should get and as Government had called for the opinion of the Council in the same matter, the subject was brought before the Council once more

After some more discussion, Mr V Venkataswamy Chetty moved that the opinion of the Managing Committee be approved and the Government be informed accordingly in reply to its letter calling for the opinion of the Council in this behalf

This was put to vote and passed by a majority only one voting against it

PRESIDENT'S NOTE

At the last Council meeting, while recording the Government Order appointing Mr C Annadanappa as the Octroi Superintendent in reply to a question put by a Member, the Municipal Commissioner informed the House that the present Revenue Officer Mr N Siddalingappa is placed in his old grade of 100-10-150, which he was drawing as the Octroi Superintendent Then some Councillors desired that I should put up a note explaining the circumstances that led to the appointment of Mr N Siddalingappa as the Revenue Officer and the grade he should be given Hence this note

Mr N Siddalingappa, M A , LL B , was appointed in the Municipality as an Octroi Superintendent in 1939, and after satisfactory work, he earned two increments in the grade of Rs 100-10-150 In about November 1941, when a vacancy arose in the Post of the Revenue Officer in the Municipality, Mr N Siddalingappa was appointed in it as he had by then, shown considerable progress as the Octroi Superintendent, and he had passed all the required examinations, in order to give him a new grade of Rs 150-25/2-250, which is the usual grade of the Revenue Officer in this Municipality The Government was pleased to accord sanction to this appointment, but in their order of sanction, they did not specify the grade in which Mr N Siddalingappa was to be appointed, and simply stated that he will draw his pay This means his pay as the Revenue Officer and not his pay as the Octroi Superintendent In the office, however, an incorrect interpretation was put, and his pay is disbursed in his old grade as the Octroi Superintendent Certainly, this was not at all the intention of the Council, when they resolved to appoint him as the Revenue Officer, giving him greater responsibility in office Nor would I think, this was the intention of the Government either, in appointing him in a place at which he has to collect four times the collection he was making in his old department His predecessors were drawing their salaries in the grade of Rs 150-25/2-250, and now as extensions have arisen in the City, thereby increasing the work of collection of assessments, it is not fair to decrease the pay of the Revenue Officer

In sister Municipalities, where the collection of taxes is considerably low, the Revenue Officers are paid high In Mysor City, the collection to be made, is about 6 lakhs, and the Revenue Officer's grade is Rs 150-25/2-250 and in C & M Station, Bangalore, where the collection to be made is only 9 lakhs, the Revenue Officer draws Rs 400/- per month In our Municipality where the collection to be made is nearly 15 lakhsm it is equitab and fair that we should have the same grade as Mysore City at least, i e , Rs 150-25/2-250, proportionate to the volume of work and extent of responsibility

Last year itself, when the grades of the Revenue Officer and the Personal Assistant to the Commissioner, were 150-25/2-250, the Government wanted to raise the grade of the Octroi Superintendent from Rs 100-10-150 to Rs 100-10-150-25/2-250, in order to place these three officers on an equal footing, so that each office might be interchangeable This new revision in the Octroi Department, has been already sanctioned and a provision in the Budget has also been made When that is the case, it would never have been the desire of any, to reduce the grade hitherto obtaining

Therefore, I recommend that Mr N Siddalingappa be started on Rs 150/- in the usual grade of Rs 150-25/2-250 from the date of his appointment as the Revenue Officer

Copy of letter from the President, City Municipal Council, Bangalore, to the Secretary to Government, Law and L S G. Department -

Sir,

In enclosing herewith, a copy of the Resilution passed by the Municipal Council while recording the Government Order in connection with the fixing the pay of Mr. N. Siddalingappa, Revenue Officer, Bangalore city Municipality at Rs.140/-, in the revised grade Rs.100-10-150-25/2-250, I write to state that the Municipal Council have resolved, that he may be started on Rs.150/- from the date of his appointment in the revised grade. (copy of the Resolution enclosed).

In this connection, I wish to bring to the kind notice of the Government that the Present Revenue Officer, is a highly qualified officer and he has passed the marginally noted examinations. When he took charge of the Revenue Branch of this Municipality every thing was in a chaotic and confused condition, and it was on account of his organised efforts, effective control and better supervision over his staff, that he has improved the administration of the Branch to a considerable extent and he has shown better progress over that of the previous Revenue Officers on all sides as is evident from the statement herein enclosed

1. M.A.
2. LL B
3. Municipal & Local Boards Examination
4. Revenue Higher
5. Accounts Higher
6 Registration.
7 Income-tax
8. Excise
9. Muzrai
10. Prisons

He has shown an increase of Rs.1,14,160/- in collections from both the assessed and Mis-taxes in 1942-43, the period during which he was in charge of the Branch, and the collections during the year is the highest after the past general revision as compared with the collections of the past six years It is highly creditable of him to have shown the above said increase in collection inspite of the several adverse circumstances such as the bombing of Cocanada, Bizagpatam etd and the consequent evacuation of the City, the August and September 1942 political distrubances, the first Food Rationing Census Work for about 5 months from November 1942 to February 1943 and the dual charge of the Revenue and Octroi Branch of the Municipality.

During the little time at his disposal in the year he has disposed of appreciable number of records including long pending ones and he has sent over 10,712 records (most of which were lying uncared for the unattended to for the past several years as against 1588 and 2393 during 1941-42 and 1940-41 respectively to the Central Municipal Record Room It is during 1942-43 that the work in this respect is record breaking

I have enclosed herewith several extracts from his Character Book which shows that his work has been uniformly appreciated by all the Officers whom he has served and they have recommended his case for a higher Gazetted Rank.

As regards his character I may endorse the opinion of the Several Officer that he is thoroughly honest and bears an excellent conduct and pleasing manne which an executive officer ought to poassess in the interests of Public

As could be seen from the extracts, both Messrs. S Narayana Rao and B S Raghavendra Rao and also Abdulla Hussain Sheriff have endorsed that Mr N. Siddalingappa is fit to be an Amildar I may add that when the Municipal Council passed a Resolution promoting him as the Revenue Officer it was understood that he would be given the usual grade of 150-25/2-250, and if the Council only thought that his prospects would not immediately be bettered no efforts would have been vainly made for thispromotion It is also necessary that while efficienby is expected of an officer, what is legitimately due to him, ought to be given. It has already been brought to the kind notice of the Government that in the neighbouring Municipalities in the C & M Station, Bangalore, the Revenue Officer with much lesser collection work of about 9 lakh of rupees is paid Rs.400/- as against the collection of the Bangalore City Municipality of Rs.17 lakhs and odd. In Mysore City where the collection is about 7 lakhs the R O. is started on Rs.150/- in the grade 150-25/2-250

In these circumstances I strongly recommend that the Government be moved that the Resolution of the Council is given effect to and the concerned officer given encouragement, in the interests of efficiency and municipal work.
